MEMORANDUM FOR THE RECORD

SUBJECT: Telephonic Approval by the 40 Committee

JRC Schedule

a. The JRC Schedule for June 1971 was telephonically approved by the 40 Committee on 29 May with the following exceptions:

- (1) As agreed in the 40 Committee meeting on 26 May, the [] photo reconnaissance flights just south of the DMZ were discontinued during June, and would be substituted by GIANT SCALE flights south of the DMZ.
- (2) State Department temporarily deferred decision on the non-reconnaissance [] show-the-flag mission proposed for July 1-4 in the Black Sea. Subsequently, State Department approved passage of the destroyers USS WM WOOD, USS RICH, and USS NEW but delayed passage of the USS LAWRENCE pending results of proposed discussion points to be developed in conjunction with DOD for Embassy Ankara to use in talks with the Turkish government on the question of the applicability of the Montreux Convention to shipborne antiaircraft missiles.

b. See Special Minute for additional items.
